## Fun at National Night Out

Explore & Grow had a blast at the National Night Out on August 1st. We face painted for hours, visited with families, and even met Ronald McDonald! He wants to come visit our school soon and do a magic show for us!

Stay tuned for more community events coming up!

## Preschool Only

There is an Open House scheduled for our Preschool Only families on Tuesday, September 5th from 6:30-7:30pm.

We invite the families to come meet their teachers and see the Preschool Only classroom. Finish any necessary paperwork and meet their classmates!

Preschool Only starts on Monday, September 11/12.
